

HOCKEY NEWFOUNDLAND & LABRADOR ANNOUNCES THE PLAYERS ATTENDING THE 2011 HIGH PERFORMANCE PROGRAM CAMPS

July 27, 2011

Hockey Newfoundland and Labrador in partnership with the High Performance Coaching Staff will be delivering their Provincial Camps at the Gander Community Centre in Gander from August 6-26, 2011.

The program is an identification and development program for the top athletes in the province in a number of age divisions for both male and female players. Over 250 players will participate in the provincial program over the course of twenty days.

Each camp will have four and half days of intense training, with daily games scheduled in order for the coaching staff to evaluate players. During the program players will have a number of off-ice sessions focusing on fitness, nutrition, team systems, hockey opportunities and other interesting topics. The Coaching staff will be tasked to select the top twenty players for each of the five teams, who will wear the branch jersey at the annual Atlantic Challenge Cup scheduled for Moncton, NB from October 7-10, 2011. This event is a best on best competition among the four Atlantic Provinces.
