At 13:20 of the 2<sup>nd</sup> period, #52, Mikael Tam of the Goulds was carrying the puck through the neutral zone. At the same time #90 Patrice Cormier of the Mount Pearl Blades came on the ice. He skated towards Tam in the neutral zone. Moments after Tam dumped the puck into his attacking zone, Cormier delivered a violent elbow directly to the head of Tam. In delivering the elbow, Cormier clearly targeted Tam's head. This elbow was delivered with sufficient force that Tam was left unconscious on the ice. He began convulsing while on the ice and had to be taken from the ice on a stretcher.

For his actions, Cormier was assessed a match penalty for Checking to the Head under rule 6.5c.
