FROM: Paul Dagg, Technical Director Hockey NL  
Ken Chafe, Hockey Development Chair, Hockey NL

DATE: October 22, 2014

**SUBJECT: New Coaching Terms and Qualifications**

---

This memo has two parts. Number one reviews the coaching course name changes implemented by the CAC. The second part reviews the updates to 'trained' and 'certified' coaching status.

### 1. Coaching Course Names

Previous Name: IP/Intro to Coach Trained  
**New Name: Coach Level 1/Intro Coach Trained**

Previous Name: Coach Stream Trained  
**New Name: Coach Level 2 Trained**

Development 1 and High Performance 1 remain the same.

### 2. Updates to trained and certification coaching status:

The CAC has mandated changes to the certification status to all coaching levels in hockey. For example if you received a 'certified' status prior to the 2013-14 season in Coach 2, Development 1 and High Performance 1 it will automatically be changed on your profile to 'Trained'.

Coaches can still update their coaching profiles from trained to certified. To do this, visit [www.coach.ca](http://www.coach.ca), sign into 'your locker' and complete the Making Ethical Decisions course applicable to the coaching course I.e. Development 1 = MED COMP INTRO course

Required coaching levels within our Branch:

Coach 1: IP, Novice

Coach 2: Atom (All Levels), Peewee to Midget (House League), Female Non-All Star

\*Development 1: Peewee to Midget (Regional Rep Teams), Female All-Star

\*Any coach that completed all D1 requirements prior to 2013-14 season will be granted permission to coach in the Provincial tournament with trained status. Coaches who have taken the D1 course 2013 and beyond must achieve certified status in D1.
