

IMPORTANT REMINDER

TO: All Minor Hockey Associations

RE: HOCKEY NL VOLUNTEER SCREENING POLICY REMINDER

The following is a reminder to all Minor Hockey Associations that all volunteers, coaches, assistant coaches, managers and trainers within your association are required to complete the volunteer screening process.

A recent review of our records have indicated that there are registered coaches, assistant coaches, managers and trainers who have not completed the application process and in order for a volunteer to be permitted to participate in any hockey activities, the member must complete the Hockey NL membership application. At this time we want to urge all Minor Hockey Associations to ensure that their volunteers complete the requirements. To obtain more information on the policy and steps and procedures, please visit the following link: <http://www.hockeynl.ca/wp-content/uploads/2012/10/HNL-Screening-Policy.pdf>

Information is recorded under each member's profile under Tracking and can be obtained by your registrar which will provide you with information on what is outstanding. We expect all associations to act on this.

Thank you and if you have any questions on the policy or how to review the tracking data, please contact the Hockey NL Branch Office.

Sincerely,

Craig Tulk
Executive Director,
Hockey NL
