Instructions

On January 10, Senior teams must reduce the number of registered players and unused registrations to 25 + 1 alternate goalie, and Junior teams must reduce the number of registered players and unused registrations to 23, each must have at least two goaltenders. Junior teams are eligible to protect 2 alternate players in addition to their 23. They must be clearly marked alternate on this form.

This form must be in the hands of the branch Executive Director or forwarded by fax to the HNL office no later than midnight on January 10. Any team failing to forward their protected list to the HNL office may be declared ineligible for further competition.

All players listed must be registered at the HNL office. All registered players that are not listed are automatically released.

If you choose to protect fewer than the maximum and still have unused registrations, you may register eligible players up to the maximum allowed and they will be added to this protected list at the HNL office as their registrations are received. **The last date for player registration is February 10th.**

This form is the official protected list and cannot be revised. You can only add to this list as described above. No player on this list can be replaced and if a player on this list is released after January 10th, they are ineligible to register with another team.
